Free, Anonymous & Safe Reporting Services for Schools

Your child's school knows that students face potential dangers every day, that's why they have taken the steps to protect them and have registered for AnonymousTips.com. Students or Parents can now anonymously report any dangers or issues to administrators that can help!

## You or Your Child Can Use **AnonymousTips.com** To Report Issues Such As:

- ▶ Bullying & Other School Related Problems
- ▶ Cyberstalking, Sexting or Harassment
- ▶ Any Type of Suspicious or Illegal Activities

**It's Fast, Easy To Use And  
Completely Anonymous.**

As a community service, AnonymousTips.com is providing a completely anonymous email capability for send leads and tips to schools. Although some agencies may have anonymous tip submissions on their websites, AnonymousTips.com's system is independent of any district or government, so users can be confident that they are protected from being identified. Simply visit the AnonymousTips.com website, find the school you want to notify, and send the information at no charge and with no possible exposure.
